

NEW PRIVATE LEASING SCHEME WITH BRIDGEND COUNCIL

On 25th April 2008 Foundation Housing and Hafod Housing Association launched its new private leasing scheme in Bridgend. The launch presentation was attended by a large number of private landlords from the locality along with Councillors and officials from Bridgend Council.

The partnership agreement between Bridgend Council/Hafod Housing and Foundation Housing is for a leasing scheme of 20 properties across the Borough. Properties required range from 1 to 3 bedrooms for singles, couples and families. The properties will be used by the Council as temporary accommodation for homeless families awaiting permanent homes in the Borough.

Any landlord interested in leasing a property through this scheme should contact Diana Turner the Housing Services Manager on 02920 460107 or diana.turner@fhts.org.uk for more information.
